

SECRET*6 Sep. 1965***MEMORANDUM FOR: CIA Representative to COMOR****ATTENTION:** [REDACTED]**SUBJECT: Office of Special Projects**

1. The Agency has established the Office of Special Projects within the Directorate of Science and Technology to carry out CIA's responsibilities for satellite activities conducted in behalf of the National Reconnaissance Program.

2. In view of this, it is my desire that the Office of Special Projects respond to any queries or requests which you may have regarding Agency satellite programs. You are invited to call upon them for any information you may need in this regard. It is also my desire that the Office of Special Projects identify a representative to attend those COMOR meetings where items may be of interest to the Office of Special Projects, such as the OSA representative attends in behalf of the aircraft items.
